

Maximize workplace efficiency and minimize risk with an At Leisure Group Account.

The only one-stop compliance management tool that effortlessly tracks your employees' training and license/certification needs.

We understand that managing multiple licenses and training requirements can be difficult and at times, somewhat overwhelming.

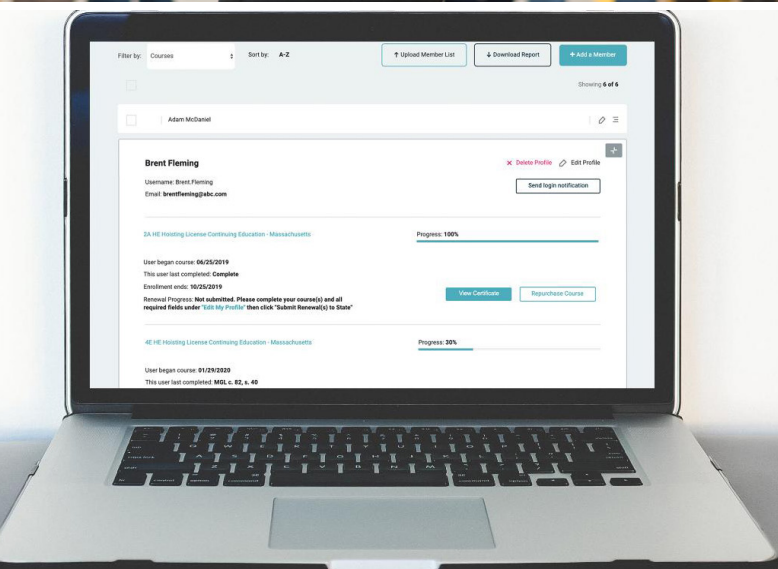

That's why we created our Group Account license management solutions.

As the only comprehensive, user-friendly tool available, our Group Accounts feature an employee management dashboard that enables you to manage all of your group members' course enrollments, certificates, and license expirations with ease. Welcome to education without the aggravation!

To learn more, please email brian@atleisurelicense.com or call 617.207.4209.
